## Camp Shenandoah Tentative Schedule as of March 28, 2021.

Notes: Due to the evolving protocols and recommended best practices related to Covid-19, this schedule is subject to changes prior to camp opening. While we continue our best efforts to follow this schedule, we must recognize classes or session times may require revisions.

Should this occur, troops currently registered for Camp Shenandoah will receive updates through Tentaroo. Additional badge offerings and activities may become available, and we will keep you informed regarding any program enhancements.

The Virginia Headwaters Council recognizes 2021 will present some changes to everyone's outdoor experience. Likewise, we will do our best to offer both the same high level of program, staff and FUN you count on at Camp Shenandoah!
