morally straight.

A Scout is: Trustworthy
Loyal, Helpful
Friendly, Courteous
Kind, Obedient
Cheerful, Thrifty
Brave, Clean
and
Reverent

T. Brady Saunders Graces

Breakfast

Gracious giver of all good,
Thee we thank for rest and food.
Grant that all we do or say,
In Thy service be this day.

Lunch

Father for this noonday meal,
We would speak the praise we feel
Health and strength we have from Thee
Help us Lord to faithful be.

Dinner

Tireless Guardian on our way,
Thou has kept us well this day.
While we thank Thee, we request
Care continued, pardon rest.

Scout Vespers

Softly falls the light of day
as our campfire fades away.
Silently each Scout should ask,
"Have I done my daily task?
Have I kept my honor bright?
Can I guiltless sleep tonight?
Have I done and have I dared
everything to Be Prepared?"

HEART OF VIRGINIA COUNCIL BOY SCOUTS OF AMERICA®

Dear Camp Leaders, Parents, and Scouts,

Welcome to Camp T. Brady Saunders 2019!

I would like to thank you for choosing to spend a week with us at the Heart of Virginia Scout Reservation and making Camp T. Brady Saunders your destination summer camp. Camp T. Brady Saunders has a proud tradition of providing Scouts with an excellent summer camp experience since 1964.

Our staff is busy planning an incredible program for summer 2019. We have an exceptional group of staff and Area Directors returning, along with some new faces, all to ensure that we exceed your unit's expectations.

For this coming summer, we will be continuing to develop the program we offer at our new Stem (Science, Technology, Engineering, and Mathematics) Center.

This guidebook provides information you need to plan a successful week at Camp T. Brady Saunders. This guide is also available online along with all the documents you need for summer camp. More detailed information about merit badges can be found in the Merit Badge Guide available at www.bradysaunders.net. As we get closer to summer camp 2019 some minor revisions may have to be made to this guide. Be sure to visit www.bradysaunders.net for the most updated edition of this Guide and additional information about other programs offered at Camp T. Brady Saunders.

Please read this guidebook thoroughly to ensure that your unit gets the most out of their summer camp experience. I am very excited about this summer and am honored to serve as the Camp Director. Again, thank you for choosing Camp T. Brady Saunders! I look forward to seeing you at camp!

CAMP T. BRADY SAUNDERS

The Heart of Virginia Scout Reservation is located in Goochland County, Virginia. It consists of 604 acres of land and comprises three separate camps. Camp S. Douglas Fleet is a short-term camping area located near the entrance to the Reservation. Cub & Webelos Adventure Camp is a Summer Camp specifically designed for Cub & Webelos Scouts and was opened in 2002. Camp T. Brady Saunders is the oldest camp on the Reservation and provides long-term summer camp for Boy Scouts and Venture Scouts.

Mr. Thomas Brady Saunders of Goochland, owner of the Miller Manufacturing Company of Richmond, donated the original land to build Camp T. Brady Saunders in 1964. It replaced Camp Shawondasse, now Camp Thunderbird owned by the YMCA. Over the years, additional land for the Camp and the Reservation was acquired as gifts from Nawakwa Lodge #3 of the Order of the Arrow, Mr. Thomas Starke, III, the Chesapeake Corporation of West Point, the Boisseau Estate and through various other purchases.

Camp T. Brady Saunders has 16 separate campsites, four shower houses with individual rooms, a large dining hall equipped with air-conditioning, a trading post, health lodge, aquatics program on Lake Dillon, C.O.P.E (Challenging Outdoor Personal Experience) Course, remote controlled multi-station shotgun range, covered archery and rifle range, STEM (Science, Technology, Engineering, and Mathematics) program, a 3D archery range, 10 miles of mountain bike and hiking trails, a compass and geocaching course, a sand pit volleyball court, a Gaga Pit, a traverse wall, a nine-hole disk golf course, a 28 foot tall Wet Willy waterslide, Canoes, Kayaks, Paddleboards, Paddleboats, Sailboats, an administration building and dining hall equipped with high speed wireless internet, Scoutmaster Lodge with Internet and a basketball court.

The Reservation is located in the Virginia Piedmont. It has deciduous and coniferous woodlands, rolling hills, lakes, and beautiful valleys. Wildlife abounds with deer, squirrel, beaver, turkey, fox, rabbit, Canada geese, ducks and even a skunk or two.

Through the foresight of the Council Property Committee, Camping Committee and the Conservation Committee, Camp T. Brady Saunders provides a modern facility that does not detract from the natural beauty of the Reservation. Camp T. Brady Saunders provides a great outdoor experience with modern facilities and excellent program opportunities for Scouts of all ages!

General Camp Policies

Camp T. Brady Saunders is a BSA Nationally Accredited camp owned and operated by the Heart of Virginia Council. Its staff and all participants, including Scouts and leaders, must be currently registered members of the Boy Scouts of America. All Troops must have two 21+ year old BSA registered leader in camp at all times, if females are attending, proper ratios of male and female leadership must be in camp at all times. Two leaders are required in camp at all times. All rules regarding youth protection must be followed for Scouts BSA Troops. In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. All adults attending camp need to have completed Youth Protection Training available at myscouting.org.

Provisional Scouts

Provisional Campers are individual Scouts who attend summer camp without their Troop. Sometimes Provisional Campers attend with one parent or leader. These Scouts are still considered Provisional Scouts. We are very excited to be able to offer individual Scouts the opportunity to attend our camp.

Provisional Scouts will be assigned to a Troop in one of two ways. The Scout may be put into a Troop with volunteer leadership formed specifically to act as a Provisional Troop for the week; or, they will be added to an already existing Troop who has agreed to take the Scout as part of their Troop for the week.

Once inspection is completed you need to go by the Health Lodge to pick up your medical forms and any medications; *all medical forms left at camp must be destroyed per federal law.* Then you will bring your checkout sheet to the Administration building to complete the checkout process. You will receive your checkout packet containing your Troop's awards, patches, and merit badge completion sheet.

Monday Morning Arrival

Camp T. Brady Saunders does allow units to arrive on Monday morning, beginning at 7am, no earlier. Please come to the Camp Administration building, where we will check your unit in and you will meet your site guide. Your site guide will take you to your site to drop off your equipment and will then take you to the Health Lodge for medical rechecks. The Health Lodge will issue you buddy tags. A leader should take the buddy tags to the waterfront to the buddy board and then the Troop should report to the dining hall for breakfast.

We highly recommend that Troops who are coming in on Monday take advantage of the pre-camp swim checks, however if your Scouts still need to be swim checked, they will do this at the beginning of each of their aquatic merit badges and for those not taking an aquatics class, swim checks will be available at the beginning of free swim.

Mid-Week Arrivals & Departures from Camp

All campers, youth and adult, must check in and out at the camp office. This applies to anyone who is arriving or leaving the camp. It is critical that we always know who is, or is not, at camp. A Scout must have a Scoutmaster present at the time of departure to confirm the Scout is allowed to leave. Thank you for your cooperation!

Camp Wristbands

All campers, youth and adult, must wear the colored wristband they were given at check-in. Anyone who is found in camp without this wristband will immediately be escorted to the Administration building. Replacements bands are available at Administration.

Medical Forms, Medications in Camp & Health Lodge Procedures

The Health Officer is a certified EMT. A camp physician is on call 24 hours a day. St. Mary's Hospital, Richmond, VA, will treat emergency patients from camp. Goochland County Fire and Rescue Association provides emergency transport if needed. Non-emergency transportation is provided by the unit leaders to either Goochland Medical Center or West Creek Emergency Center (as determined by the Health Officer).

ALL campers, both youth and adult, must have a completed Annual Health and Medical Record Part A, B, & C with them when they report to camp; it must be completely filled out. It will be placed on file with the Health Lodge and will be returned to the Troop when they collect it at the Health Lodge before checking out. Any forms left at camp when a Troop leaves must be destroyed according to Federal law. Please do not give the Health Lodge original medical forms, please give us a copy of the original.

The forms must be dated within the last 12 months and ***Parts A, B, and C must be completed and signed by a physician.*** Incomplete forms cannot be accepted. All rotating leaders must also have a current medical form, Parts A, B, and C. **Please have these forms completed when you arrive at camp. We cannot allow any participants to stay in camp without these completed forms.** *Open toed shoes are not allowed outside the waterfront area!*

In case of emergencies call the camp office (804) 554-9492 or the Camp Director at (804) 204-2622.

Swim-Check & Waterfront Procedures

All Scouts who come to camp and intend to participate in any event involving the waterfront must go through swim check at camp or complete a pre-camp swim check, available at www.bradysaunders.net. There is a document available on this website, which has all of the information and forms your Troop will need to complete pre-camp swim checks. Each Troop, in its entirety, will go to the waterfront during the camp tour. They will need to be in swim trunks during this time and be ready to participate in swim-checks. There is also a waterfront demonstration at 7:00 PM on their first day at camp, which all Troops are required to attend.

Valuables

Unfortunately, even at Scout camp, losses occur. For self-protection, items you do not wish to lose should be left at home. The camp carries no insurance for personal items and is not responsible for loss or theft of personal items. Tents are private areas. At no point should a Scout enter another Scout's tent. Report any such activity to the Camp Administration Team!

CPAP Machines

There are limited campsites available to supply electricity to CPAP machines. We must be informed before your arrival if a CPAP machine will be brought that needs power. Unfortunately, we cannot guarantee that power will be available for your CPAP unit. It is recommended that you bring a battery-powered machine. The electricity provided in campsites is for these machines only.

Mail

Daily deliveries and collections are made at camp. Outgoing mail will be picked up from the mailbox following breakfast each day. Incoming mail can be picked up at the dining hall by an adult leader after lunch. All packages will need to be picked up from the hearth in the dining hall. Mail to campers should be addressed as follows:

Scout _____ of Troop # _____ Week # _____
Camp T. Brady Saunders
1723 Maidens Rd
Maidens, VA 23102

Closing/Visitors Campfire & Dinner:

On Friday night, we have a picnic style dinner. Scouts may invite their family to join them at camp for a meal and show them around camp. The Troop must have a total count to the Camp Commissioner by Wednesday morning in order to ensure enough food is prepared.

The cost is \$7 per person. When the parents arrive at camp they will park at the Administration parking lot. Guests should be ready to walk around camp, vehicles are not permitted in the camp. They will register and pay for their meal inside the building. They will receive a special wristband that will allow them to eat in the dining hall. Parents and family are welcome to arrive at camp starting at 5:00 PM.

Please remember that pets are not allowed at camp. Vehicles are not allowed in camp except to retrieve equipment for units leaving early, only between the hours of 5pm – 6pm. All vehicles must have a vehicle pass issued through the Camp Administration building, except during Saturday check-out.

Parents are invited to attend the closing campfire, which begins at 8:30 PM. It will be a series of skits and songs performed by the Scouts. There will be awards and stories presented and told by the staff. The campfire will end by 10:00 PM. If Scouts or Troops are leaving early they need to sign-out at the Administration building. DINING HALL PROCEDURES

At Camp T. Brady Saunders, we like to think of our campers as family. The most family-oriented time of the day is at mealtime. All meals served at camp are served family style. Each table will receive food for the entire table and will share the food family style.

SETUP

Every Troop needs to send one waiter for every six Scouts, unless the Dining Hall Steward has made other arrangements with the Troop. Waiters need to arrive 15 minutes before breakfast and lunch and 20 minutes before dinner. We only need one waiter per table. This is an important part of camp and to ensure that everyone has their turn, additional waiters will be asked to wait outside until the meal begins.

There is a dry erase board posted in the dining hall, next to the kitchen OUT door. This board will outline what utensils; plates and cups are needed for the meal. The waiter will retrieve these items from the kitchen and the center table.

Staff will eat with the campers at their tables. The Dining Hall Steward will tell you how many staff are supposed to be seated at your table(s). At the beginning of the meal, raise your hand if you have a seat for a staff member. If a waiter is unsure how their table should be setup, they can refer to the head table and ask the Dining Hall Steward for help.

The Waiter will then check the dry erase board next to the kitchen IN door to see what food items will be served and what quantity of each item is needed per table. They will retrieve all cold food items, such as milk, chips and bread before the meal begins.

There are two doors when entering the food serving area. There is an In-Door and an Out-Door.

The waiter will stand by their table until the Dining Hall Steward invites the Scouts and Scouters to enter the dining hall.

DURING THE MEAL

After grace, waiters will enter the kitchen to retrieve all hot items. If seconds are available on an item, the Dining Hall Steward will circle the item on the food board. When the meal is nearing completion, the Dining Hall Steward will announce “dessert is available” and the waiter will then be able to retrieve the dessert from the kitchen.

CLEANUP

Waiters will remain at their table after the dining hall dismissal. Waiters will also wait to start cleaning until the Dining Hall Steward announces the cleanup procedure.

All plates, platters, bowls, pitchers and cups will be brought to the back table next to the IN door. All silverware and serving utensils will be placed in the gray containers located on the center table. All unopened items such as chips, condiments, milk, juices, and cereal will be brought to the kitchen. All extra liquids should be poured into the waste liquid container. Waiters will then sweep under and wipe down their table using the cloths found on the center table. They will stack their benches on top of their table.

Once the waiter feels their table is cleaned, they will raise their hand and wait for the Dining Hall Steward to check their table. Waiters must wait to have their table cleared before they can leave the dining hall.

SPECIAL FOOD NEEDS

Camp T. Brady Saunders plans the menu for camp following national nutrition guidelines and receives approval of its menu from a dietician. The camp employs a year-round Food Service Manager and provides an excellent camp menu. We do our best to provide menu options to accommodate many different dietary needs and allergy considerations. Peanut butter and jelly is always available as an alternative or addition to any meal, but due to allergy concerns, each table must request it individually.

It is not possible to provide food to meet every dietary and allergy need. Please contact the Camp Director, Nick Harman, several months before camp to make arrangements for any special food needs, menu questions, and food storage concerns. You will be put in contact with our Food Service Manager who will be able to answer all food related questions.

CAMP MOUNTAIN BIKE TRAILS & RIDING BIKES

Camp T. Brady Saunders is equipped with 10 miles of mountain bike trails. Scouts are welcome to bring their bikes and ride on the trails. They may also use their bikes to travel around to their merit badge classes.

Scouts and Scoutmasters will need to wear a helmet at all times when they are riding bikes and must let their Scoutmaster know when they are out riding their bikes.

The buddy system must be followed for any trail riding. Bike racks are provided throughout the camp. Bikes should not be parked around the dining hall.

Doubleknot Registration & Merit Badge Sign-up Program

Registration

Camp T. Brady Saunders manages its camp registrations using the Doubleknot program. This is an online service used by our Council to manage events. You can register your Troop online through the Doubleknot program at the camp website or through the Council's online calendar.

If you register using the paper registration form you will be entered into the Doubleknot system and you will receive a Doubleknot account. This will be assigned to the primary email address on the registration form. If you already have a Doubleknot user ID you would like to use, please include it on the registration form. There are guidebooks available at www.bradysaunders.net that will walk you through the registration process and merit badge registration

Updating Registration

You will log back into Doubleknot periodically to update your registration and enter more information. *It is very important to note that you need to log into your existing registration, not create a new one – your payment history is linked to your reservation and your campsite request.* Right now you may know your Troop plans to go to camp at T. Brady Saunders. You can go ahead and reserve a space for your Troop. Later you will know how many people plan to attend camp and you can update that information.

When you know the names of all your participants at camp you can go into the system and enter your roster. This will become important for merit badge and program registration. You will also have the option to pre-order camp merchandise through the Doubleknot system and have it waiting for your Troop when you arrive at camp.

Merit Badge Registration

Merit badge registration is done through the Doubleknot online program. When you register for camp, the person with the main email contact will be given access to the Doubleknot system. You can link into the program at www.bradysaunders.net. Registration opens on March 15, 2019 at noon for merit badges and programs at www.bradysaunders.net.

Camp T. Brady Saunders tracks merit badges using the Doubleknot merit badge report. We record merit badges electronically and a printout of the completed and partially completed merit badges is issued. ***If your Troop or Council requires blue cards, please bring them with you completely filled out and have the merit badge instructors sign off on them the last day of class. Do not leave blue cards with the merit badge instructors. Please have your Scouts bring them on the last day of the merit badge class to have them completed.***

TRAIL BLAZERS – First Year Camper Program

Throughout the week, first year campers will blaze their own path on the trail to Eagle while having the time of their life! The Trail Blazers program will combine both rank requirements and a love of the outdoors to instill in the young Scouts a desire to achieve. It will also inspire them to look deeper into Scouting and the experiences it can bring. This program is designed to expose young Scouts to the requirements for Tenderfoot, Second Class, and First-Class ranks.

Our Vision

To provide young Scouts the best opportunity to experience the Scouting program at Camp T. Brady Saunders; to supply these scouts with the tools and experiences needed to be successful in their scouting careers; make their experience with Trail Blazers one that will be remembered and relied on for the rest of their lives; but most importantly, have fun at everything they do! We are all excited and enthusiastic to have the opportunity to work with these future Eagle Scouts!

Trail Blazers Description:

Trail Blazers is a first-year camper program designed for the brand-new Scout, the Scout who has just moved up from Webelos or joined the Troop for the first time just before camp. It is more of an orientation to the out-of-doors and to the facilities at Camp T. Brady Saunders. Its purpose is to help new Scouts get comfortable with Scouting's methods and teach vital camping skills.

Scouts attend Trail Blazers from 9 AM – 12 PM in the Trail Blazer area and the afternoon in merit badge classes. One of the afternoon merit badge periods will be the swimming merit badge or instructional swim. During the other afternoon merit badge period they will have a choice of a handicraft merit badge (Indian Lore, Space Exploration, Basketry, or Leatherworking). Trailblazer Scouts are not required to take these badges, however they should be age appropriate (i.e. not shooting sports). Each Thursday night, all Trail Blazer Scouts will participate in a special evening activity.

Requirements Covered

The Trail Blazer program exposes the new Scout to all of the outdoor skills included in the rank advancements for Tenderfoot, Second, and First Class. The Trail Blazer staff does not sign any of these requirements in a Scout's handbook since we feel these skills must be practiced and mastered before a Scout is signed off for any of the requirements. Once the Scoutmaster feels confident the Scout has mastered these skills, they will mark them as complete.

We cover the following requirements:

Scout 4a, 4b, 5

Tenderfoot 3a, 3b, 3c, 3d, 4a, 4b, 4c, 4d, 7a

Second class 2a, 2b, 2c, 2d, 2e, 2f, 3a, 4, 6a, 6b, 6c

First Class 2c, 2d, 3a, 3b, 3c, 5a, 5b, 5c, 5d, 7a, 7b, 7c

Each Trail Blazer does earn their Totin' Chip and Firem'n Chit

Special Equipment Needed

Each Scout participating in Trail Blazers will need, besides their regular camping gear, the following items that will be used in the Trail Blazers program:

- A day pack or book bag of some type
- Scout handbook
- A canteen or water bottle
- Rain gear
- Compass—with at least 2 degree increments
- Paper and pencil
- A pocket knife
- A small personal first aid kit
- Hot Spark Fire Starter (available in the trading post)

Sign-up For Trail Blazers

Registration for Trail Blazers is done using the Doubleknot registration program and is available on March 15, 2019. Merit badge selection for the two afternoon blocks is also done through Doubleknot. Trail Blazer participants have designated merit badge classes from which to choose. If the Scout wishes to take a different offering, have the Scoutmaster contact the camp director before camp.

Scouts who participate in Trail Blazers will be recognized at the closing campfire on Friday evening. They may purchase a Trail Blazer tee shirt at the Trading Post.

First Year Camper & Parent Orientation Pre-camp Meeting

We offer a special orientation for first year campers and their parents. It will be at camp on Saturday, June 15th from 9-12 with a hot dog lunch provided. This program is designed to relieve anxieties first year campers and their parents might have about Boy Scout long term camping.

Some of the questions we will answer will be:

- Where am I going to sleep?
- What do the tents look like?
- Where do I eat?
- What are the showers and bathrooms like?
- Where do I go if I get an injury?
- What is there to do during the day?
- What is "Trail Blazers"?
- Discuss home sickness and how to help avoid it.
- How do I communicate with my Scout?
- What should I bring to camp?
- What should I leave at home?
- Medications at camp?
- Any questions you have?

Scouts and parents will also have a tour of Camp T. Brady Saunders.

Sign-up is available at our website www.bradysaunders.net

C.O.P.E. High Ropes Adventure

Project - Challenging Outdoor Personal Experience.

COPE is comprised of group initiative games, as well as low and high-rope course activities. Some of the activities involve a group challenge, while others test individual skills and agility. Participants climb, swing, balance, jump, rappel, and think of solutions to a variety of activities. Most do much more than they ever thought they could do. The underlying goals of Project COPE are consistent with the methods of Scouting. Group activities are ideal for emphasizing the patrol method and developing leadership. Individual activities help promote personal growth. Other Scouting methods are inherent in the conducting of the program.

Project COPE provides an opportunity for every participant to achieve success as an individual and as a member of a team. The activities are not designed to be competitive or to be a race against time. More important objectives such as building individual confidence, developing leadership, and inspiring cooperation among team members are emphasized.

Through a generous gift from Nawakwa Lodge, Camp T. Brady Saunders operates a COPE course. The COPE course is, by design, geared for the older Scouts in the Troop. Scouts who participate should be those who have reached a time when merit badge classes stop being as attractive and challenging. The COPE Director will have the final say on who will participate in this program.

Each week, 12 Scouts will be able to participate in COPE. Registration is through the Doubleknot program. At camp, each participant will need to submit their COPE application form to the COPE Director for review. Scouts not meeting minimum requirements will not be allowed to participate in Project COPE. The morning COPE session will be conducted from 9:00 AM until 12 PM. Project COPE participants may take afternoon merit badges to complement their COPE session or participate in Ranger Challenge.

In addition, it should be noted that due to the group dynamics involved in Project COPE, missed sessions cannot be made up. Therefore, leaving camp for baseball games, swim meets, etc. removes eligibility for participation in Project COPE.

Further, visitors are only allowed when invited by the COPE Director. Due to the safety aspect of conducting COPE activities, the COPE area is OFF LIMITS to anyone without the supervision of a qualified instructor and area director. Anyone found on the course unsupervised will be dismissed from camp.

COPE minimum requirements for participation:

- Must be at least 14 years of age by June 1 of the year of participation.
- Scout must have long pants. No hiking boots, work boots, or open-toed shoes.
- Must be at least a second year camper at summer camp

ALL PARTICIPANTS MUST:

- Have a completed Health Form
- Have long pants and appropriate shoes, see prerequisites
- Complete a COPE Application (available online) – Bring with them to camp.

RANGER CHALLENGE

Ranger Challenge is a program designed for older Scouts who seek a different experience than a week of earning just merit badges at camp!

A wide variety of activities will be offered:

- Monday - Orientation and Canoe Demonstration Day
- Tuesday - Hatcher Island Canoe Trip and Dutch Oven Feast
- Wednesday – St. Mary’s Wilderness Hike
- Thursday – James River White Water Canoe Trip
- Friday – Firearms day

Adults are welcome to participate and help out where necessary. A Scout must be 13 years of age and be physically fit. At the end of the week, the participants can purchase the “Ranger Challenge” rattlesnake hat at the Trading Post and participants will receive a special patch. The program will be altered or changed due to weather conditions. The program may run until very late on some days.

A Ranger Challenge permission form is required for participation in the program and is available at www.bradysaunders.net. Bring this form with you to camp.

Order of the Arrow at Camp

Camp T. Brady Saunders offers a variety of Order of the Arrow activities during your week at camp. Our Order of the Arrow representative handles all OA functions.

Every Friday night, the Nawakwa Lodge conducts a Call-Out ceremony. You need to submit proof of election in order to participate in the ceremony. By Thursday lunch, a Troop representative needs to inform the OA Commissioner of the number of Scouts/leaders you would like to call-out. If you are an out of council Troop, you will need to submit a letter from your Lodge Chief and Lodge Adviser in order to participate in the call-out ceremony. This will need to be done before you arrive at camp.

Wednesday is OA Day. - All Order of the Arrow members should wear their sash to Retreat on Wednesday.

The Nawakwa Lodge hosts an ice cream social for all Order of the Arrow members (regardless of lodge affiliation) at 9 PM on Wednesday night in the Dining Hall.

Any pre-camp Order of the Arrow questions, please email the Camp Promotions Committee at camppromotions@nawakwa.org.
